

The Grady School at The University of Georgia Mentor Program: Objectives, Timeline & Application

Objective:

Your mentors are your link to the Atlanta Media Community. Mentee's will utilize their mentor to learn about media and advertising in Atlanta. This is an opportunity to network with this professional community before graduation.

The Process:

As applications are received students may be contacted by to set up interviews. If ABAC does not have a mentor available who matches your goals you may be contacted and asked to reapply for the next program.

Students will be notified of their acceptance into the program and mentor matches. Please keep in mind acceptance is based on ideal matches between mentees and mentors, not GPA's or resumes. We can only accept as many Mentee's as we have Mentors.
